

## Overview

### **Health, Dental, Vision, Life Insurance, Accidental Death & Dismemberment Insurance (AD &D), Medicare, 403b, and Long Term Care Insurance**

Employees who are eligible to retire and who were covered under one of Oberlin College's group health plans while in active service, may continue to participate in any of the plans during retirement. Dependent(s) coverage continuation is available to those who were on the eligible retiree's plan during active service. If elected, Life insurance, AD & D and Long Term Care insurance in effect as an active employee may also continue. Information on 403b in the applicable section indicates steps to take in transitioning from work to retirement.

Please review eligibility guidelines in the link below.
