### **Important Information**

THIS IS NOT AN INSURED BENEFIT PLAN. THE BENEFITS DESCRIBED IN THIS BOOKLET OR ANY RIDER ATTACHED HERETO ARE SELF-INSURED BY OBERLIN COLLEGE WHICH IS RESPONSIBLE FOR THEIR PAYMENT. CONNECTICUT GENERAL PROVIDES CLAIM ADMINISTRATION SERVICES TO THE PLAN, BUT CONNECTICUT GENERAL DOES NOT INSURE THE BENEFITS DESCRIBED.

THIS DOCUMENT MAY USE WORDS THAT DESCRIBE A PLAN INSURED BY CONNECTICUT GENERAL. BECAUSE THE PLAN IS NOT INSURED BY CONNECTICUT GENERAL, ALL REFERENCES TO INSURANCE SHALL BE READ TO INDICATE THAT THE PLAN IS SELF-INSURED. FOR EXAMPLE, REFERENCES TO "CG," "INSURANCE COMPANY," AND "POLICYHOLDER" SHALL BE DEEMED TO MEAN YOUR "EMPLOYER" AND "POLICY" TO MEAN "PLAN" AND "INSURED" TO MEAN "COVERED" AND "INSURANCE" SHALL BE DEEMED TO MEAN "COVERAGE."

### **Explanation of Terms**

You will find terms starting with capital letters throughout your certificate. To help you understand your benefits, most of these terms are defined in the Definitions section of your certificate.

### **The Schedule**

**The Schedule is a brief outline of your maximum benefits which may be payable under your insurance. For a full description of each benefit, refer to the appropriate section listed in the Table of Contents.**

## Special Plan Provisions

### Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your Dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

1. You, your dependent or an attending Physician can request Case Management services by calling the toll-free number shown on your ID card during normal business hours, Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.
2. The Review Organization assesses each case to determine whether Case Management is appropriate.
3. You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.

FPCM6

4. Following an initial assessment, the Case Manager works

with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.

5. The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).
6. The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
7. Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

### Additional Programs

We may, from time to time, offer or arrange for various entities to offer discounts, benefits, or other consideration to our members for the purpose of promoting the general health and well being of our members. We may also arrange for the reimbursement of all or a portion of the cost of services provided by other parties to the Policyholder. Contact us for details regarding any such arrangements.

### How To File Your Claim

The prompt filing of any required claim form will result in faster payment of your claim.

You may get the required claim forms from your Benefit Plan Administrator. All fully completed claim forms and bills should be sent directly to your servicing CG Claim Office.

Depending on your Group Insurance Plan benefits, file your claim forms as described below.

### Hospital Confinement

If possible, get your Group Medical Insurance claim form before you are admitted to the Hospital. This form will make your admission easier and any cash deposit usually required

will be waived.

If you have a Benefit Identification Card, present it at the admission office at the time of your admission. The card tells the Hospital to send its bills directly to CG.

**Doctor's Bills and Other Medical Expenses**

The first Medical Claim should be filed as soon as you have incurred covered expenses. Itemized copies of your bills should be sent with the claim form. If you have any additional bills after the first treatment, file them periodically.

**CLAIM REMINDERS**

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT NUMBER WHEN YOU FILE CG'S CLAIM FORMS, OR WHEN YOU CALL YOUR CG CLAIM OFFICE.  
YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.  
YOUR ACCOUNT NUMBER IS THE 7-DIGIT POLICY NUMBER SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- PROMPT FILING OF ANY REQUIRED CLAIM FORMS RESULTS IN FASTER PAYMENT OF YOUR CLAIMS.

**WARNING:** Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit is guilty of a crime and may be subject to fines and confinement in prison.

GM6000 CI 3CLA9V41

**Accident and Health Provisions**

**Notice of Claim**

Written notice of claim must be given to CG within 30 days after the occurrence or start of the loss on which claim is based. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as was reasonably possible.

**Claim Forms**

When CG receives the notice of claim, it will give to the claimant, or to the Employer for the claimant, the claim forms which it uses for filing proof of loss. If the claimant does not receive these claim forms within 15 days after CG receives notice of claim, he will be considered to meet the proof of loss requirements if he submits written proof of loss within 90 days after the date of loss. This proof must describe the occurrence, character and extent of the loss for which claim is made.

**Proof of Loss**

Written proof of loss must be given to CG within 90 days after the date of the loss for which claim is made. If written proof of loss is not given in that time, the claim will not be invalidated

or reduced if it is shown that written proof of loss was given as soon as was reasonably possible.

**Physical Examination**

The Employer, at its own expense, will have the right to examine any person for whom claim is pending as often as it may reasonably require.

**Eligibility – Effective Date**

**Eligibility for Employee Insurance**

You will become eligible for insurance on the date you retire if:

- you are an Employee who ceased to be a regular status Employee of Oberlin College and who is at least 62 years of age and has 10 years of service; or
- you were a regular status Employee of Oberlin College and insured on the Oberlin College plan at the time of retirement.

**Classes of Eligible Employees**

Each Retired Employee as reported to the insurance company by your Employer.

**Retired Employees**

Retirees – All retirees will be moved to the Open Access Plus “A” Health Plan. The Retiree and Dependents will be billed for this health coverage at the current rate for Retirees. The rate may change at any time.

At age 65, the retiree and dependent **must** be enrolled for both Medicare Part A & B and pay the Part B premium. A copy of the Medicare card must be given to the Department of Human Resources to verify your Medicare Coverage. The Retiree and Dependent must also enroll in the current Retiree Health Plan.

Once retired, the Retiree may not add Dependents. If you decline health insurance coverage at the time of retirement, you will forfeit your right to enroll in the Oberlin College health insurance coverage in the future.

RAMP Retirees: An employee who chooses to retire prior to age 62 can continue to be covered by the Oberlin College Health Plan under the Open Access Plus “A” Health Plan. This benefit is available to those persons who Retire between the ages of 52 and 61 **and** have at least 10 years full service. The percentage of the health insurance for those who Retire under RAMP will continue until the age of 65 at which time Medicare becomes the primary insurer and Oberlin College provides secondary coverage. The rate is based on a

percentage of the cost to the College. **Once the percentage is set at Retirement, the percentage will not change, even after age 65, although the dollar amount may vary.**

## **Employee Insurance**

This plan is offered to you as a Retired Employee. To be insured, you will have to pay part of the cost.

### **Effective Date of Your Insurance**

You will become insured on the date you elect the insurance by signing a written agreement with the Policyholder to make the required contribution, but no earlier than the date you become eligible. To be insured for these benefits, you must elect the insurance for yourself no later than 30 days after your retirement.

GM6000 EF 1  
ELI7V82 M

## **Dependent Insurance**

For your Dependents to be insured, you will have to pay part of the cost of Dependent Insurance.

### **Effective Date of Dependent Insurance**

Insurance for your Dependents will become effective on the date you elect it by signing a written agreement with the Policyholder to make the required contribution, but no earlier than the day you become eligible for Dependent Insurance. All of your Dependents as defined will be included.

For your Dependents to be insured for these benefits, you must elect the Dependent insurance for yourself no later than 30 days after you become eligible.

Your Dependents will be insured only if you are insured.

## COMPREHENSIVE MEDICAL BENEFITS

### The Schedule

#### For You and Your Dependents

To receive Comprehensive Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Deductible and Coinsurance.

#### Coinsurance

The term Coinsurance means the percentage of charges for Covered Expenses that an insured person is required to pay under the plan.

#### Deductibles

Deductibles are expenses to be paid by you or your Dependent. Deductible amounts are separate from and are in addition to any Coinsurance. Once the Deductible maximum shown in The Schedule has been reached, you and your family need not satisfy any further medical deductible for the rest of that year.

#### Maximum Reimbursable Charge

Unless otherwise noted, services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 80th percentile of all charges made by providers of such service or supply in the geographic area.

#### Out-of-Pocket Expenses

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan because of any Coinsurance.

Charges will not accumulate toward the Out-of-Pocket Maximum for Covered Expenses incurred for:

- non-compliance penalties; or
- provider charges in excess of the Maximum Reimbursable Charge.

When the Out-of-Pocket Maximum shown in The Schedule is reached, Injury and Sickness benefits are payable at 100% except for:

- non-compliance penalties; and
- provider charges in excess of the Maximum Reimbursable Charge.

#### Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

**Assistant Surgeon and Co-Surgeon Charges**

**Assistant Surgeon**

The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed 20 percent of the surgeon's allowable charge. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

**Co-Surgeon**

The maximum amount payable will be limited to charges made by co-surgeons that do not exceed 20 percent of the surgeon's allowable charge plus 20 percent. (For purposes of this limitation, allowable charge means the amount payable to the surgeons prior to any reductions due to coinsurance or deductible amounts.)

## Comprehensive Medical Benefits

### Covered Expenses

The term Covered Expenses means the expenses incurred by or on behalf of a person for the charges listed below if they are incurred after he becomes insured for these benefits. Expenses incurred for such charges are considered Covered Expenses to the extent that the services or supplies provided are recommended by a Physician, and are Medically Necessary for the care and treatment of an Injury or a Sickness, as determined by CG. **Any applicable Copayments, Deductibles or limits are shown in The Schedule.**

#### Covered Expenses

- charges made by a Hospital, on its own behalf, for Bed and Board and other Necessary Services and Supplies; except that for any day of Hospital Confinement, Covered Expenses will not include that portion of charges for Bed and Board which is more than the Bed and Board Limit shown in The Schedule.
- charges for licensed ambulance service to or from the nearest Hospital where the needed medical care and treatment can be provided.
- charges made by a Hospital, on its own behalf, for medical care and treatment received as an outpatient.
- charges made by a Free-Standing Surgical Facility, on its own behalf for medical care and treatment.
- charges made on its own behalf, by an Other Health Care Facility, including a Skilled Nursing Facility, a Rehabilitation Hospital or a subacute facility for medical care and treatment; except that for any day of Other Health Care Facility confinement, Covered Expenses will not include that portion of charges which are in excess of the Other Health Care Facility Daily Limit shown in The Schedule.
- charges made for Emergency Services and Urgent Care.
- charges made by a Physician or a Psychologist for professional services.
- charges made by a Nurse, other than a member of your family or your Dependent's family, for professional nursing service.

GM6000 CM5

### External Prosthetic Appliances and Devices

- charges made or ordered by a Physician for: the initial purchase and fitting of external prosthetic appliances and devices available only by prescription which are necessary for the alleviation or correction of Injury, Sickness or congenital defect. Coverage for External Prosthetic Appliances is limited to the most appropriate and cost effective alternative as determined by the utilization review Physician.

External prosthetic appliances and devices shall include prostheses/prosthetic appliances and devices, orthoses and orthotic devices; braces; and splints.

### Prostheses/Prosthetic Appliances and Devices

Prostheses/prosthetic appliances and devices are defined as fabricated replacements for missing body parts. Prostheses/prosthetic appliances and devices include, but are not limited to:

- basic limb prostheses;
- terminal devices such as hands or hooks; and
- speech prostheses.

### Orthoses and Orthotic Devices

- Orthoses and orthotic devices are defined as orthopedic appliances or apparatuses used to support, align, prevent or correct deformities.
- Custom foot orthoses – custom foot orthoses are only covered as follows:
  - for persons with impaired peripheral sensation and/or altered peripheral circulation (e.g. diabetic neuropathy and peripheral vascular disease);
  - when the foot orthosis is an integral part of a leg brace and is necessary for the proper functioning of the brace;
  - when the foot orthosis is for use as a replacement or substitute for missing parts of the foot (e.g. amputated toes) and is necessary for the alleviation or correction of Injury, Sickness or congenital defect; and
  - for persons with neurologic or neuromuscular condition

(e.g. cerebral palsy, hemiplegia, spina bifida) producing spasticity, malalignment, or pathological positioning of the foot and there is reasonable expectation of improvement.

GM6000 06BNR5

The following are specifically excluded orthoses and orthotic devices:

- prefabricated foot orthoses;
- cranial banding and/or cranial orthoses. Other similar devices are excluded except when used postoperatively for synostotic plagiocephaly. When used for this indication, the cranial orthosis will be subject to the limitations and maximums of the External Prosthetic Appliances and Devices benefit;
- orthosis shoes, shoe additions, procedures for foot orthopedic shoes, shoe modifications and transfers;
- orthoses primarily used for cosmetic rather than functional reasons; and
- orthoses primarily for improved athletic performance or sports participation.

- treatment for functional articulation disorder such as correction of tongue thrust, lisp, verbal apraxia or swallowing dysfunction that is not based on an underlying diagnosed medical condition or Injury;
- maintenance or preventive treatment consisting of routine, long-term or non-Medically Necessary care provided to prevent recurrences or to maintain the patient’s current status;

GM6000 07BNR1

The following are specifically excluded from Chiropractic Care Services:

- services of a chiropractor which are not within his scope of practice, as defined by state law;
- charges for care not provided in an office setting;
- vitamin therapy.

If multiple outpatient services are provided on the same day they constitute one visit.

GM6000 07BNR2

**Transplant Services**

- charges made for human organ and tissue transplant services which include solid organ and bone marrow/stem cell procedures. This coverage is subject to the following conditions and limitations.

Transplant services include the recipient’s medical, surgical and Hospital services; inpatient immunosuppressive medications; and costs for organ or bone marrow/stem cell procurement. Transplant services are covered only if they are required to perform any of the following human to human organ or tissue transplants: allogeneic bone marrow/stem cell, autologous bone marrow/stem cell, cornea, heart/lung, kidney, kidney/pancreas, liver, lung, pancreas or intestine which includes small bowel, liver or multiple viscera.

Coverage for organ procurement costs are limited to costs directly related to the procurement of an organ, from a cadaver or a live donor. Organ procurement costs shall consist of surgery necessary for organ removal, organ transportation and the transportation, hospitalization and surgery of a live donor. Compatibility testing undertaken prior to procurement is covered if Medically Necessary. Costs related to the search for, and identification of a bone marrow or stem cell donor for an allogeneic transplant are also covered.

**Transplant Travel Services**

Charges made for reasonable travel expenses incurred by you in connection with a preapproved organ/tissue transplant are covered subject to the following conditions and limitations. Transplant travel benefits are not available for cornea transplants. Benefits for transportation, lodging and food are available to you only if you are the recipient of a preapproved organ/tissue transplant from a designated CIGNA LIFESOURCE Transplant Network® facility. The term recipient is defined to include a person receiving authorized transplant related services during any of the following: (a) evaluation, (b) candidacy, (c) transplant event, or (d) post-transplant care. Travel expenses for the person receiving the transplant will include charges for: transportation to and from the transplant site (including charges for a rental car used during a period of care at the transplant facility); lodging while at, or traveling to and from the transplant site; and food while at, or traveling to and from the transplant site.

In addition to your coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany you. The term companion includes your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver. The following are specifically excluded travel expenses:

travel costs incurred due to travel within 60 miles of your home; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

These benefits are only available when the covered person is the recipient of an organ transplant. No benefits are available when the covered person is a donor.

## Prescription Drug Benefits

### The Schedule

#### **For You and Your Dependents**

This plan provides Prescription Drug benefits for Prescription Drugs and Related Supplies provided by Pharmacies as shown in this Schedule. To receive Prescription Drug Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for Prescription Drugs and Related Supplies for each 30-day supply at a retail pharmacy or each 90-day supply at a mail order pharmacy. That portion is the Copayment or Coinsurance.

#### **Copayments**

Copayments are expenses to be paid by you or your Dependent for covered Prescription Drugs and Related Supplies. Copayments are in addition to any Coinsurance.

## Prescription Drug Benefits

### For You and Your Dependents

#### Covered Expenses

If you or any one of your Dependents, while insured for Prescription Drug Benefits, incurs expenses for charges made by a Pharmacy for Medically Necessary Prescription Drugs or Related Supplies ordered by a Physician, CG will provide coverage for those expenses as shown in The Schedule. Coverage also includes Medically Necessary Prescription Drugs and Related Supplies dispensed for a prescription issued to you or your Dependents by a licensed dentist for the prevention of infection or pain in conjunction with a dental procedure.

When you or a Dependent is issued a prescription for Medically Necessary Prescription Drugs or Related Supplies as part of the rendering of Emergency Services and that prescription cannot reasonably be filled by a Participating Pharmacy, the prescription will be covered by CG, as if filled by a Participating Pharmacy.

#### Limitations

Each Prescription Order or refill shall be limited as follows:

- up to a consecutive 30-day supply, at a retail Pharmacy, unless limited by the drug manufacturer's packaging; or
- up to a consecutive 90-day supply at a mail-order Participating Pharmacy, unless limited by the drug manufacturer's packaging; or
- to a dosage and/or dispensing limit as determined by the P&T Committee.

Coverage for Prescription Drugs and Related Supplies is limited to "generic" drugs unless a generic alternative does not exist or substitution is not permitted by state law.

GM6000 PHARM91  
GM6000 PHARM85 PHARM102

In the event that you or your Physician insists on: (a) a more expensive "brand-name" drug where a "generic" drug would otherwise have been dispensed, you will be financially responsible for the amount by which the cost of the "brand-name" drug exceeds the cost of the "generic" drug, plus the required Copayment identified in the Schedule.

Coverage for certain Prescription Drugs and Related Supplies requires your Physician to obtain authorization prior to prescribing. Prior authorization may include, for example, a step therapy determination. Step therapy determines the specific usage progression of therapeutically equivalent drug products or supplies appropriate for treatment of a specific condition. If your Physician wishes to request coverage for

Prescription Drugs or Related Supplies for which prior authorization is required, your Physician may call or complete the appropriate prior authorization form and fax it to CG to request prior authorization for coverage of the Prescription Drugs or Related Supplies. Your Physician should make this request before writing the prescription.

If the request is approved, your Physician will receive confirmation. The authorization will be processed in our claim system to allow you to have coverage for those Prescription Drugs or Related Supplies. The length of the authorization will depend on the diagnosis and Prescription Drugs or Related Supplies. When your Physician advises you that coverage for the Prescription Drugs or Related Supplies has been approved, you should contact the Pharmacy to fill the prescription(s).

If the request is denied, your Physician and you will be notified that coverage for the Prescription Drugs or Related Supplies is not authorized.

If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered.

If you have questions about a specific prior authorization request, you should call Member Services at the toll-free number on the ID card.

Prescription Drugs that represent an advance over available therapy according to the FDA will be reviewed by the P&T Committee within six months after FDA approval. Prescription Drugs that appear to have therapeutic qualities similar to those of an already marketed drug according to the FDA, will not be reviewed by the P&T Committee for at least six months after FDA approval. In the case of compelling clinical data, an ad hoc group will be formed to make an interim decision on the merits of a Prescription Drug.

#### Your Payments

Coverage for Prescription Drugs and Related Supplies purchased at a Participating Pharmacy is subject to the Copayment or Coinsurance shown in the Schedule, after you have satisfied your Prescription Drug Deductible, if applicable. Please refer to the Schedule for any required Copayments, Coinsurance, Deductibles or Maximums if applicable.

When a treatment regimen contains more than one type of Prescription Drug which are packaged together for your, or your Dependent's convenience, a Copayment will apply to each Prescription Drug.

- for or in connection with treatment of the teeth or periodontium unless such expenses are incurred for: (a) charges made for a continuous course of dental treatment started within twelve months of an Injury to sound natural teeth; (b) charges made by a Hospital for Bed and Board or Necessary Services and Supplies; (c) charges made by a Free-Standing Surgical Facility or the outpatient department of a Hospital in connection with surgery
- for medical and surgical services, initial and repeat, intended for the treatment or control of obesity including clinically severe (morbid) obesity, including: medical and surgical services to alter appearances or physical changes that are the result of any surgery performed for the management of obesity or clinically severe (morbid) obesity; and weight loss programs or treatments, whether

prescribed or recommended by a Physician or under medical supervision.

- unless otherwise covered in this plan, for reports, evaluations, physical examinations, or hospitalization not required for health reasons including, but not limited to, employment, insurance or government licenses, and court-ordered, forensic or custodial evaluations.
- court-ordered treatment or hospitalization, unless such treatment is prescribed by a Physician and listed as covered in this plan.
- transsexual surgery including medical or psychological counseling and hormonal therapy in preparation for, or subsequent to, any such surgery.
- any medications, services or supplies for the treatment of male or female sexual dysfunction such as, but not limited to, treatment of erectile dysfunction (including penile implants), anorgasmia, and premature ejaculation.
- medical and Hospital care and costs for the infant child of a Dependent, unless this infant child is otherwise eligible under this plan.
- nonmedical counseling or ancillary services, including but not limited to Custodial Services, education, training, vocational rehabilitation, behavioral training, biofeedback, neurofeedback, hypnosis, sleep therapy, employment counseling, back school, return to work services, work hardening programs, driving safety, and services, training, educational therapy or other nonmedical ancillary services for learning disabilities, developmental delays, autism or mental retardation.
- therapy or treatment intended primarily to improve or maintain general physical condition or for the purpose of enhancing job, school, athletic or recreational performance, including but not limited to routine, long term, or maintenance care which is provided after the resolution of the acute medical problem and when significant therapeutic improvement is not expected.
- consumable medical supplies other than ostomy supplies and urinary catheters. Excluded supplies include, but are not limited to bandages and other disposable medical supplies, skin preparations and test strips, except as specified in the “Home Health Services” or “Breast Reconstruction and Breast Prostheses” sections of this plan.
- private Hospital rooms and/or private duty nursing except as provided under the **Home Health Services** provision.
- personal or comfort items such as personal care kits provided on admission to a Hospital, television, telephone, newborn infant photographs, complimentary meals, birth announcements, and other articles which are not for the specific treatment of an Injury or Sickness.
- artificial aids including, but not limited to, corrective orthopedic shoes, arch supports, elastic stockings, garter belts, corsets, dentures and wigs.
- hearing aids, including but not limited to semi-implantable hearing devices, audiant bone conductors and Bone

- Anchored Hearing Aids (BAHAs). A hearing aid is any device that amplifies sound.
- aids or devices that assist with nonverbal communications, including but not limited to communication boards, prerecorded speech devices, laptop computers, desktop computers, Personal Digital Assistants (PDAs), Braille typewriters, visual alert systems for the deaf and memory books.
  - medical benefits for eyeglasses, contact lenses or examinations for prescription or fitting thereof, except that Covered Expenses will include the purchase of the first pair of eyeglasses, lenses, frames or contact lenses that follows keratoconus or cataract surgery.
  - charges made for or in connection with routine refractions, eye exercises and for surgical treatment for the correction of a refractive error, including radial keratotomy, when eyeglasses or contact lenses may be worn.
  - treatment by acupuncture.
  - all noninjectable prescription drugs, injectable prescription drugs that do not require Physician supervision and are typically considered self-administered drugs, nonprescription drugs, and investigational and experimental drugs, except as provided in this plan.
  - routine foot care, including the paring and removing of corns and calluses or trimming of nails. However, services associated with foot care for diabetes and peripheral vascular disease are covered when Medically Necessary.
  - membership costs or fees associated with health clubs, weight loss programs and smoking cessation programs.
  - genetic screening or pre-implantations genetic screening. General population-based genetic screening is a testing method performed in the absence of any symptoms or any significant, proven risk factors for genetically linked inheritable disease.
  - dental implants for any condition.
  - fees associated with the collection or donation of blood or blood products, except for autologous donation in anticipation of scheduled services where in the utilization review Physician's opinion the likelihood of excess blood loss is such that transfusion is an expected adjunct to surgery.
  - blood administration for the purpose of general improvement in physical condition.
  - cost of biologicals that are immunizations or medications for the purpose of travel or to protect against occupational hazards and risks.
  - cosmetics, dietary supplements and health and beauty aids.
  - nutritional supplements and formulae except for infant formula needed for the treatment of inborn errors of metabolism.
  - medical treatment for a person age 65 or older, who is covered under this plan as a retiree, or their Dependent, when payment is denied by the Medicare plan because treatment was received from a nonparticipating provider.
  - medical treatment when payment is denied by a Primary Plan because treatment was received from a nonparticipating provider.
  - for or in connection with an Injury or Sickness arising out of, or in the course of, any employment for wage or profit.
  - telephone, e-mail, and Internet consultations, and telemedicine.
  - massage therapy.
  - for charges which would not have been made if the person had no insurance.
  - to the extent that they are more than Maximum Reimbursable Charges.
  - expenses incurred outside the United States or Canada, unless you or your Dependent is a U.S. or Canadian resident and the charges are incurred while traveling on business or for pleasure. However, in order to receive reimbursement, you must contact your HR Department for instructions on submission of claims for the review and reimbursement at the Out-of- Network benefit allowance.
  - Charges for expenses incurred outside the United States or Canada, while for Oberlin College business or sabbaticals. However, in order to receive reimbursement, you must contact your HR Department for instructions on submission of claims for the review and reimbursement at the In-Network benefit allowance.
  - charges made by any covered provider who is a member of your family or your Dependent's family.
  - to the extent of the exclusions imposed by any certification requirement shown in this plan.

**Spousal Coordination of Benefits**

Employee spouses and domestic partners who are employed by employers other than Oberlin College must enroll in the health insurance program made available when certain conditions are met.

A spouse is required to participate in his/her employer-sponsored health care plan if:

1. The spouse has access to continuous (i.e. non-seasonal) group health coverage through his/her employment; and
2. The employer contributes at least 50% of the premium.

If these conditions are met, your spouse must enroll in the employer’s health care plan regardless of the cost of coverage or the level of benefits provided. If your spouse is eligible for coverage through their employer and does not take that coverage, he/she is not eligible for coverage under the College plan.

If your spouse takes coverage through his/her employer, he/she is also eligible for secondary coverage through the College. Your spouse may enroll in Oberlin College’s health care plan for secondary coverage if you pay Oberlin College’s monthly premium for the appropriate level of coverage (family or employee + spouse) and provide documentation of coverage from the spouse’s employer. Those who enroll same sex partners may be taxed on a portion of the premium cost.

**Coordination of Benefits**

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

**Coverage under this Plan plus another Plan will not guarantee 100% total reimbursement.**

**Definitions**

For the purposes of this section, the following terms have the meanings set forth below:

**Plan**

Any of the following that provides benefits or services for medical care or treatment:

- (1) Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public nor is individually underwritten including closed panel coverage.
- (2) Coverage under Medicare and other governmental benefits as permitted by law, excepting Medicaid and Medicare supplement policies.
- (3) Medical benefits coverage of group, group-type, and

individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

**Closed Panel Plan**

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and which limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

**Primary Plan**

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

**Secondary Plan**

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

GM6000 MOB1

**Reasonable Cash Value**

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service if rendered under similar or comparable circumstances by other health care providers located within the immediate geographic area where the health care service was delivered.

**Order of Benefit Determination Rules**

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- (1) The Plan that covers a person as an enrollee or an employee shall be the Primary Plan and the Plan that covers that person as a Dependent shall be the Secondary Plan;
- (2) For a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year;
- (3) For the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
  - (a) first, if a court decree states that one parent is responsible for the child’s healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the

terms of the order, but only from the time of actual knowledge;

- (b) then, the Plan of the parent with custody of the child;
- (c) then, the Plan of the spouse of the parent with custody of the child;
- (d) then, the Plan of the noncustodial parent of the child, and
- (e) finally, the Plan of the spouse of the parent not having custody of the child.

GM6000 MOB2

- (4) The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- (5) The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- (6) If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

**Effect on the Benefits of This Plan**

If this Plan is the Secondary Plan, the benefits that would be payable under this Plan in the absence of Coordination will be reduced by the benefits payable under all other Plans for the expense covered under this Plan.

When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service rendered will be

considered both an expense incurred and a benefit payable.

GM6000 MOB3

**Recovery of Excess Benefits**

If CG pays charges for services and supplies that should have been paid by the Primary Plan, CG will have the right to recover such payments.

CG will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments were made by any insurance company, healthcare plan or other organization. If we request, you shall execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

**Right to Receive and Release Information**

CG, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

GM6000 MOB4

**Medicare Eligibles**

CG will pay as the Secondary Plan as permitted by the Social Security Act of 1965 as amended for the following:

- a) a former Employee who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- b) a former Employee's Dependent, or a former Dependent Spouse, who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- c) retired Employee or retired Employee's Dependent who is eligible for Medicare due to End Stage Renal Disease after that person

has been eligible for Medicare for 30 months;

GM6000 MEL23 V4 M

CG will assume the amount payable under:

- Part A of Medicare for a person who is eligible for that Part without premium payment, but has not applied, to be the amount he would receive if he had applied.
- Part B of Medicare for a person who is entitled to be enrolled in that Part, but is not, to be the amount he would receive if he were enrolled.
- Part B of Medicare for a person who has entered into a private contract with a provider, to be the amount he would receive in the absence of such private contract.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any former Employee and his Dependent unless he is listed under (a) through (c) above.

GM6000 MEL45V2 M

## Right of Reimbursement

The Policy does not cover:

1. Expenses for which another party may be responsible as a result of liability for causing or contributing to the injury or illness of you or your Dependent(s).
2. Expenses to the extent they are covered under the terms of any automobile medical, automobile no fault, uninsured or underinsured motorist, workers' compensation, government insurance, other than Medicaid, or similar type of insurance or coverage when insurance coverage provides benefits on behalf of you or your Dependent(s).

If you or a Dependent incur health care Expenses as described in (1) and (2) above, Connecticut General shall automatically have a lien upon the proceeds of any recovery by you or your Dependent(s) from such party to the extent of any benefits provided to you or your Dependent(s) by the Policy. You or your Dependent(s) or their representative shall execute such documents as may be required to secure Connecticut General's

rights. Connecticut General shall be reimbursed the lesser of:  
the amount actually paid by CG [or the HealthPlan] under the Policy; or

an amount actually received from the third party;

at the time that the third party's liability is determined and satisfied; whether by settlement, judgment, arbitration or otherwise.

GM6000 CCP1 CCL1V4

## Payment of Benefits

### To Whom Payable

All Medical Benefits are payable to you. However, at the option of CG, all or any part of them may be paid directly to the person or institution on whose charge claim is based.

Medical Benefits are not assignable unless agreed to by CG. CG may, at its option, make payment to you for the cost of any Covered Expenses received by you or your Dependent from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependent is responsible for reimbursing the Provider. If any person to whom benefits are payable is a minor or, in the opinion of CG, is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, CG may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

If you die while any of these benefits remain unpaid, CG may choose to make direct payment to any of your following living relatives: spouse, mother, father, child or children, brothers or sisters; or to the executors or administrators of your estate.

Payment as described above will release CG from all liability to the extent of any payment made.

### Time of Payment

Benefits will be paid by CG when it receives due proof of loss.

### Recovery of Overpayment

When an overpayment has been made by CG, CG will have the right at any time to: (a) recover that overpayment from the person to whom or on whose behalf it was made; or (b) offset the amount of that overpayment from a future claim payment.

## Calculation of Covered Expenses

CG, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology.
- the methodologies as reported by generally recognized professionals or publications.

## Termination of Insurance

### Employees

Your insurance will cease on the earliest date below:

- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is canceled.

Any continuation of insurance must be based on a plan which precludes individual selection.

GM6000 TRM15V44 M

### Dependents

Your insurance for all of your Dependents will cease on the earliest date below:

- the date your insurance ceases.
- the date you cease to be eligible for Dependent Insurance.
- the last day for which you have made any required contribution for the insurance.
- the date Dependent Insurance is canceled.

The insurance for any one of your Dependents will cease on the date that Dependent no longer qualifies as a Dependent.

## Qualified Medical Child Support Order (QMCSO)

### A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

### B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;

4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

### C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

## Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). Enrollment of Dependent children is limited to the newborn or adopted children or children who became Dependent children of the Employee due to marriage. Dependent children who were already Dependents of the Employee but not currently enrolled in the Plan are not entitled to special enrollment.
- **Loss of eligibility for other coverage (excluding**

**continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:

- divorce or legal separation;
  - cessation of Dependent status (such as reaching the limiting age);
  - death of the Employee;
  - termination of employment;
  - reduction in work hours to below the minimum required for eligibility;
  - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;
  - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or
  - the other plan no longer offers any benefits to a class of similarly situated individuals.
- **Termination of employer contributions (excluding continuation coverage).** If a current or former employer ceases all contributions toward the Employee's or Dependent's other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).
  - **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: (a) due to failure of the employer or other responsible entity to remit premiums on a timely basis; (b) when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under the plan; or (c) when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an employer's limited period of contributions toward COBRA or other continuation

coverage as provided under any severance or other agreement.

FDRL3

Special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective on the first day of the calendar month following receipt of the request for special enrollment.

Individuals who enroll in the Plan due to a special enrollment event will not be denied enrollment. You will not be enrolled in this Plan if you do not enroll within 30 days of the date you become eligible, unless you are eligible for special enrollment.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

FDRL4 M

### Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child’s adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the “Exception for Newborns” section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

### Federal Tax Implications for Dependent Coverage

Premium payments for Dependent health insurance are usually exempt from federal income tax. Generally, if you can claim an individual as a Dependent for purposes of federal income tax, then the premium for that Dependent’s health insurance coverage will not be taxable to you as income. However, in the rare instance that you cover an individual under your

health insurance who does not meet the federal definition of a Dependent, the premium may be taxable to you as income. If you have questions concerning your specific situation, you should consult your own tax consultant or attorney.

FDRL7

### Coverage for Maternity Hospital Stay

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under a federal law known as the “Newborns’ and Mothers’ Health Protection Act”: restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section; or require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of the above periods. The law generally does not prohibit an attending provider of the mother or newborn, in consultation with the mother, from discharging the mother or newborn earlier than 48 or 96 hours, as applicable.

Please review this Plan for further details on the specific coverage available to you and your Dependents.

### Group Plan Coverage Instead of Medicaid

If your income does not exceed 100% of the official poverty line and your liquid resources are at or below twice the Social Security income level, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

## Obtaining a Certificate of Creditable Coverage Under This Plan

Upon loss of coverage under this Plan, a Certificate of Creditable Coverage will be mailed to each terminating individual at the last address on file. You or your dependent may also request a Certificate of Creditable Coverage, without charge, at any time while enrolled in the Plan and for 24 months following termination of coverage. You may need this document as evidence of your prior coverage to reduce any pre-existing condition limitation period under another plan, to help you get special enrollment in another plan, or to obtain certain types of individual health coverage even if you have health problems. To obtain a Certificate of Creditable Coverage, contact the Plan Administrator or call the toll-free customer service number on the back of your ID card.

## Requirements of Medical Leave Act of 1993 (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, where applicable:

### A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

### B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993.

## Claim Determination Procedures Under ERISA

**The following complies with federal law effective July 1, 2002. Provisions of the laws of your state may supersede.**

### Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan. Medical Necessity determinations are made on either a preservice, concurrent, or postservice basis, as described below:

Certain services require prior authorization in order to be covered. This prior authorization is called a "preservice medical necessity determination." The Certificate describes who is responsible for obtaining this review. You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

### Preservice Medical Necessity Determinations

When you or your representative request a required Medical Necessity determination prior to care, CG will notify you or your representative of the determination within 15 days after receiving the request. However, if more time is needed due to matters beyond CG's control, CG will notify you or your representative within 15 days after receiving your request. This notice will include the date a determination can be expected, which will be no more than 30 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to CG within 45 days after receiving the notice. The determination period will be suspended on the date CG sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

If the determination periods above would (a) seriously jeopardize your life or health, your ability to regain maximum function, or (b) in the opinion of a Physician with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, CG will make the preservice determination on an expedited basis. CG's Physician reviewer, in consultation with the treating

Physician, will decide if an expedited appeal is necessary. CG will notify you or your representative of an expedited determination within 72 hours after receiving the request.

FDRL15

However, if necessary information is missing from the request, CG will notify you or your representative within 24 hours after receiving the request to specify what information is needed. You or your representative must provide the specified information to CG within 48 hours after receiving the notice. CG will notify you or your representative of the expedited benefit determination within 48 hours after you or your representative responds to the notice. Expedited determinations may be provided orally, followed within 3 days by written or electronic notification.

If you or your representative fails to follow CG's procedures for requesting a required preservice medical necessity determination, CG will notify you or your representative of the failure and describe the proper procedures for filing within 5 days (or 24 hours, if an expedited determination is required, as described above) after receiving the request. This notice may be provided orally, unless you or your representative requests written notification.

#### **Concurrent Medical Necessity Determinations**

When an ongoing course of treatment has been approved for you and you wish to extend the approval, you or your representative must request a required concurrent Medical Necessity determination at least 24 hours prior to the expiration of the approved period of time or number of treatments. When you or your representative requests such a determination, CG will notify you or your representative of the determination within 24 hours after receiving the request.

#### **Postservice Medical Necessity Determinations**

When you or your representative requests a Medical Necessity determination after services have been rendered, CG will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CG's control CG will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information to CG within 45 days after receiving the notice. The determination period will be suspended on the date CG sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

FDRL42

#### **Postservice Claim Determinations**

When you or your representative requests payment for services which have been rendered, CG will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond CG's control, CG will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date CG sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

#### **Notice of Adverse Determination**

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (4) a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and (6) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

FDRL36

## When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you," "your," or "Member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

"Physician Reviewers" are licensed Physicians depending on the care, service or treatment under review.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

### Start With Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you may call the toll-free number on your Benefit Identification card, explanation of benefits, or claim form and explain your concern to one of our Member Services representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

### Appeals Procedure

CG has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing to CG within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask CG to register your appeal by telephone. Call or write us at the toll-free number on your Benefit Identification card, explanation of benefits, or claim form.

### Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination, and within 30 calendar days after we received an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or

in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CG's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CG will respond orally with a decision within 72 hours, followed up in writing.

FDRL37

### Level-Two Appeal

If you are dissatisfied with our level-one appeal decision, you may request a second review. To initiate a level-two appeal, follow the same process required for a level-one appeal.

Most requests for a second review will be conducted by the Committee, which consists of a minimum of three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness the Committee will consult with at least one Physician in the same or similar specialty as the care under consideration, as determined by CG's Physician reviewer. You may present your situation to the Committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For required preservice and concurrent care coverage determinations the Committee review will be completed within 15 calendar days and for post service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within 5 business days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician, would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CG's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CG will respond orally with a decision within 72 hours, followed up in writing.

### Independent Review Procedure

If you are not fully satisfied with the decision of CG's level-two appeal review regarding your Medical Necessity or

clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by CIGNA HealthCare, or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this Independent Review Process. CG will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, the reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by CG. Administrative, eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

FDRL38

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of CG's level-two appeal review denial. CG will then forward the file to the Independent Review organization. The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your medical condition, as determined by CG's Physician reviewer, the review shall be completed within 3 days. The Independent Review Program is a voluntary program arranged by CG.

#### **Notice of Benefit Determination on Appeal**

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; (4) a statement describing any voluntary appeal procedures offered by the plan and the claimant's right to bring an action under ERISA section 502(a); (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan

Administrator.

#### **Relevant Information**

Relevant information is any document, record or other information which: (a) was relied upon in making the benefit determination; (b) was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

#### **Legal Action**

If your plan is governed by ERISA, you have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against CG until you have completed the Level-One and Level-Two appeal processes. If your appeal is expedited, there is no need to complete the Level-Two process prior to bringing legal action.

FDRL40

#### **Arbitration**

This provision does not apply to dental plans.

To the extent permitted by law, any controversy between CG and the Group, or an insured (including any legal representative acting on behalf of a Member), arising out of or in connection with this Certificate may be submitted to arbitration upon written notice by one party to another. Such arbitration shall be governed by the provisions of the Commercial Arbitration Rules of the American Arbitration Association, to the extent that such provisions are not inconsistent with the provisions of this section.

If the parties cannot agree upon a single arbitrator within 30 days of the effective date of written notice of arbitration, each party shall choose one arbitrator within 15 working days after the expiration of such 30-day period and the two arbitrators so chosen shall choose a third arbitrator, who shall be an attorney duly licensed to practice law in the applicable state. If either party refuses or otherwise fails to choose an arbitrator within such 15-working-day-period, the arbitrator chosen shall choose a third arbitrator in accordance with these requirements.

The arbitration hearing shall be held within 30 days following appointment of the third arbitrator, unless otherwise agreed to by the parties. If either party refuses to or otherwise fails to

participate in such arbitration hearing, such hearing shall proceed and shall be fully effective in accordance with this section, notwithstanding the absence of such party.

The arbitrator(s) shall render his (their) decision within 30 days after the termination of the arbitration hearing. To the extent permitted by law, the decision of the arbitrator, or the decision of any two arbitrators if there are three arbitrators, shall be binding upon both parties conclusive of the controversy in question, and enforceable in any court of competent jurisdiction.

No party to this Certificate shall have a right to cease performance of services or otherwise refuse to carry out its obligations under this Certificate pending the outcome of arbitration in accordance with this section, except as otherwise specifically provided under this Certificate.

FDRL41

## COBRA Continuation Rights Under Federal Law

### For You and Your Dependents

#### What is COBRA Continuation Coverage

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

#### When is COBRA Continuation Available

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- termination for any reason, other than gross misconduct prior to 18 months from the date you retire.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

### Who is Entitled to COBRA Continuation

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections below titled “Secondary Qualifying Events” and “Medicare Extension for Your Dependents” are not applicable to these individuals.

FDRL20

### Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

### Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following

requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

FDRL21 M

### Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- The balance of 18 months from the date you retire;
- Upon cancellation of the retiree plan, the balance of 18 months from the date you retire if your former Employer provides coverage for active Employees;
- the end of the COBRA continuation period of 29 or 36 months from the date you retire, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

FDRL22 M

### Employer’s Notification Requirements

Your former Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
  - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
  - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
  - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

### How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA

continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23 M

### **How Much Does COBRA Continuation Coverage Cost**

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

- If the retiree alone elects COBRA continuation coverage, the retiree will be charged 102% (or 150%) of the active Employee premium.
- If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium.
- If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

### **When and How to Pay COBRA Premiums**

#### *First payment for COBRA continuation*

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

#### *Subsequent payments*

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

#### *Grace periods for subsequent payments*

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended

during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

FDRL24 M

### **You Must Give Notice of Certain Qualifying Events**

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

### **Newly Acquired Dependents**

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

**COBRA Continuation for Retirees Following Employer’s Bankruptcy**

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

FDRL25

**Trade Act of 2002**

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at [www.doleta.gov/tradeact/2002act\\_index.asp](http://www.doleta.gov/tradeact/2002act_index.asp).

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

**Interaction With Other Continuation Benefits**

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

### **Discretionary Authority**

The Plan Administrator delegates to CG the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to CG the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

### **Plan Modification, Amendment and Termination**

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it.

The procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part of all of the Plan may be terminated, is contained in the Employer's Plan Document, which is available for inspection and copying from the Plan Administrator designated by the Employer. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the last day of the calendar month in which you leave Active Service;
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be

available solely because the Plan terminates.

### **Statement of Rights**

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

FDRL28

### **Receive Information About Your Plan and Benefits**

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

### **Continue Group Health Plan Coverage**

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.
- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation

of the employee benefit plan. The people who operate your plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If you claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

FDRL29

### **Enforce Your Rights**

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, If you disagree with the plan’s decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

## **Definitions**

### **Bed and Board**

The term Bed and Board includes all charges made by a Hospital on its own behalf for room and meals and for all general services and activities needed for the care of registered bed patients.

DFS14

### **Custodial Services**

Any services that are of a sheltering, protective, or safeguarding nature. Such services may include a stay in an institutional setting, at-home care, or nursing services to care for someone because of age or mental or physical condition. This service primarily helps the person in daily living. Custodial care also can provide medical services, given mainly to maintain the person’s current state of health. These services cannot be intended to greatly improve a medical condition; they are intended to provide care while the patient cannot care for himself or herself. Custodial Services include but are not limited to:

- Services related to watching or protecting a person;
- Services related to performing or assisting a person in performing any activities of daily living, such as: (a) walking, (b) grooming, (c) bathing, (d) dressing, (e) getting in or out of bed, (f) toileting, (g) eating, (h) preparing foods, or (i) taking medications that can be self administered, and
- Services not required to be performed by trained or skilled medical or paramedical personnel.

DFS1812

**Dependent**

Dependents are:

- your lawful spouse;
- your Domestic Partner; and
- any unmarried child of yours who is
  - less than 19 years old;
  - 19 years but less than 23 years old, enrolled in school as a full-time student and primarily supported by you;
  - 19 or more years old and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical handicap. Proof of the child's condition and dependence must be submitted to CG within 31 days after the date the child ceases to qualify above. During the next two years CG may, from time to time, require proof of the continuation of such condition and dependence. After that, CG may require proof no more than once a year.

A child includes a legally adopted child. It also includes a stepchild who lives with you, a foster child and a child for whom you are the legal guardian. If your Domestic Partner has a child who lives with you, that child will also be included as a Dependent.

Benefits for a Dependent child or student will continue until the last day of the calendar month in which the limiting age is reached.

Anyone who is eligible as an Employee will not be considered as a Dependent.

No one may be considered as a Dependent of more than one Employee.

DFS57 M

**Domestic Partner**

A Domestic Partner is defined as a person of the same sex who:

- shares your permanent residence;
- has resided with you for no less than one year;
- is no less than 18 years of age;
- is financially interdependent with you and has proven such interdependence by providing documentation of at least two of the following arrangements: common ownership of real property or a common leasehold interest in such property; community ownership of a motor vehicle; a joint bank account or a joint credit account; designation as a beneficiary for life insurance or retirement benefits or under your partner's will; assignment of a durable power of attorney or health care power of attorney; or such other proof as is considered by CG to be sufficient to establish financial interdependency under the circumstances of your

particular case;

- is not a blood relative any closer than would prohibit legal marriage; and
- has signed jointly with you, a notarized affidavit which can be made available to CG upon request.

In addition, you and your Domestic Partner will be considered to have met the terms of this definition as long as neither you nor your Domestic Partner:

- has signed a Domestic Partner affidavit or declaration with any other person within twelve months prior to designating each other as Domestic Partners hereunder;
- is currently legally married to another person; or
- has any other Domestic Partner, spouse or spouse equivalent of the same or opposite sex.

You and your Domestic Partner must have registered as Domestic Partners, if you reside in a state that provides for such registration.

The section of this certificate entitled "Continuation Required By Federal Law" will not apply to your Domestic Partner and his or her Dependents.

DFS1222

**Emergency Services**

Emergency services are medical, psychiatric, surgical, Hospital and related health care services and testing, including ambulance service, which are required to treat a sudden, unexpected onset of a bodily Injury or serious Sickness which could reasonably be expected by a prudent layperson to result in serious medical complications, loss of life or permanent impairment to bodily functions in the absence of immediate medical attention. Examples of emergency situations include uncontrolled bleeding, seizures or loss of consciousness, shortness of breath, chest pains or severe squeezing sensations in the chest, suspected overdose of medication or poisoning, sudden paralysis or slurred speech, burns, cuts and broken bones. The symptoms that led you to believe you needed emergency care, as coded by the provider and recorded by the Hospital on the UB92 claim form, or its successor, or the final diagnosis, whichever reasonably indicated an emergency medical condition, will be the basis for the determination of coverage, provided such symptoms reasonably indicate an emergency.

DFS1936

**Maximum Reimbursable Charge**

The Maximum Reimbursable Charge is the lesser of:

1. the provider’s normal charge for a similar service or supply; or
2. the policyholder-selected percentile of all charges made by providers of such service or supply in the geographic area where it is received.

To determine if a charge exceeds the Maximum Reimbursable Charge, the nature and severity of the Injury or Sickness may be considered.

CG uses the Ingenix Prevailing Health Care System database to determine the charges made by providers in an area. The database is updated semiannually.

The percentile used to determine the Maximum Reimbursable Charge is listed in The Schedule.

Additional information about the Maximum Reimbursable Charge is available upon request.
