Description of duties to be performed at service site:

Below, give an estimated account of the sum of money you will need to sustain you during the summer for living arrangement purposes. You are allotted up to \$1,000 your first summer. During your second summer, you can use the remaining living stipend funds (if less than \$1,000 was used the first summer) in addition to the \$1,000. The money received must be documented by submitting all receipts and an expense report. **Failure to provide receipts, an expense report and complete 280 hours of service will result in the Bonner Scholar forfeiting the Summer Earnings Stipend and in some reimbursing the Bonner Scholars Program the summer living stipend.**
