

## **CHAMBER MUSIC REGISTRATION PROCEDURES**

- All students wishing to enroll in chamber music (APST 800/805/810) must complete a Chamber Music Request Form, available from the main office.

**Requests are due by 4:30 pm  
The First Thursday of the First Week of Classes**

- Check the ensemble requirements specified for your major in the course catalog ([catalog.oberlin.edu](http://catalog.oberlin.edu).)
- Students typically are assigned to only one chamber ensemble per semester. Exceptions may be made at the discretion of the faculty.
- Students are urged to apply for chamber music as part of a pre-formed group. Individual students will be placed with a group/coach as space is available.
- An ensemble taken for credit must be registered for and graded during the semester of participation.
- Chamber music assignments and CRNs will be posted on the Applied Studies board outside of Bibbins 113 one day prior to the add/drop deadline. **To receive credit for chamber music, you must register for the course in PRESTO before the end of the add/drop period.**
