

SPRING 2010 CHAMBER MUSIC REGISTRATION PROCEDURES

*Students who wish to enroll in chamber music/piano ensemble must complete a Chamber Music Request Form (available in the main office).***

**Requests for Spring 2010 are due *by 4:30pm*
*Wednesday, February 10th***

*Students are urged to apply for chamber music as part of a pre-formed group. Individual students will be placed with a group/coach at the discretion of the faculty and as space permits. ** (see below)*

An ensemble taken for credit must be registered for and graded during the semester of participation.

Check the ensemble requirements specified for your major in the course catalog (catalog.oberlin.edu.)

Chamber music assignments and CRNs will be posted outside Bibbins 123 by Feb 16th.

***To receive credit for chamber music,
you must register for the course in PRESTO
before the end of the add/drop period (*February 17th*)***

****** Because of the intensity of individual and group energy devoted to successful chamber music playing, the STRING FACULTY strongly suggests that you **limit yourself to one group**. In the case you do commit to two groups, **mark your first and second choice** as the committee **cannot guarantee an assignment in a second group**.
