The information you provide will be used to quantify the effect of billing information on residential water demand. This is NOT FOR PROFIT research and results will be submitted for publication to professional journals.

Any questions? Please send e-mail to Jim Casteleiro jcastele@oberlin.edu or call 440/775-5052.

If you wish to access **summary statistics** on the data obtained from all participating utilities, check here:
 If you wish to see a draft of the **research paper** before it is sent for publication, check here:
 If interested, please make sure you provide an **email address** below so we can inform you when results are available.
