T Number _____

1. Describe your disability.

2. Describe how your disability affects your learning.

3. What support services or accommodations did you receive in high school?

4. What support services or accommodations do you plan to ask for at Oberlin?

The student must provide adequate documentation before receiving accommodations. Documentation from a licensed professional is enclosed being sent under separate cover.

I hereby authorize the Office of Disability Services to receive documentation of my disability.
I understand that this information is confidential and will be used as needed to provide accommodations for me at Oberlin College. I understand that the diagnostician may be contacted to provide further information.
