

THE STUDENT SENATE OF OBERLIN COLLEGE

MARCH 14, 2007

*To Assistant Deans Brayton Fields and Rebecca Moseley,*

Students have expressed curiosity and concern about both the closing of the Fireland's elevator and the cancellation of Culinary Program House. We have heard many rumors and much general confusion about the decisions made by Residential Education and Dining Services. To better understand these two situations, the Student Senate would appreciate information on why and how these decisions were made.

Please contact me if you have any questions.

Sincerely,

COLIN KOFFEL, *Liaison*
