CANCELATION POLICY:

Due to the large number of performances sponsored by the conservatory each term, it is extremely important that students perform on their assigned dates. **All requests to cancel a degree recital require a completed Application for Degree Recital Cancellation with the signature approval of the appropriate applied faculty.**

- The authorization to cancel a degree recital date will require the approval of the Associate Dean for Student Academic Affairs. Typically, a cancellation will be authorized only for reasons of health or family emergency.
- The cancellation of a degree recital date for other reasons is considered, in the main, an unauthorized cancellation. In these cases, the student is to submit this form directly to Concert Production. An unauthorized cancellation will result in the student being reassigned a recital venue that may include rooms other than Kulas and Stull Recital Halls and Warner Concert Hall.
