

CURRICULUM VITAE

Obianuju Genevieve Aguolu, PhD, MPH, MBBS

10212 Autumn Circle
Streetsboro, Ohio 44241

(330) 622-3762
oaguolu@oberlin.edu
ujuaguolu@gmail.com

EDUCATION & TRAINING

- 2022 Postdoctoral Associate
Yale Institute for Global Health
Yale University School of Medicine
New Haven, CT
- 2018 PhD in Epidemiology
Kent State University,
Kent, OH
- 2012 Master of Public Health
Consortium of Eastern Ohio Master of Public Health/University of Akron,
Akron, OH
- 2004 Bachelor of Medicine, Bachelor of Surgery
Nnamdi Azikiwe University,
Nnewi, Anambra, Nigeria

RESEARCH EXPERIENCE

Role: Postdoctoral Associate at Dr. Saad B. Omer's Research Group

- 2021 - Present Title: *COVID-19, Burial Site Surveillance to Measure Excess Mortality- Pakistan*
Funded by the Bill and Melinda Gates Foundation (BMGF)
- 2020 - 2021 Title: *COVID-19 Risk Perception Study*
Funded by Yale Institute for Global Health (YIGH)
- 2020 - Present Title: *Comprehensively profiling social mixing patterns in healthcare workplace settings to model pandemic respiratory infection transmission*
Funded by the Centers for Disease Control and Prevention (CDC)
- 2019 - Present Title: *Comprehensive profiling of social mixing patterns in resource poor countries (a.k.a. Global Mix)*
Funded by National Institutes of Health (NIH)
- 2019 - Present Title: *Comprehensively profiling social mixing patterns in workplace settings to model pandemic influenza transmission (a.k.a. Corporate Mix)*
Funded by CDC
- 2019 - Present Title: *Community-based RSV mortality study in Pakistan*
Funded by BMGF
- 2019 - Present Title: *Group B streptococcus colonization in mothers in Pakistan*
Funded by CDC
- 2019 - Present Title: *Evaluation of Tdap in Pregnancy to Prevent Infant Pertussis*
Funded by Thrasher Research Fund

Role: Co-investigator

- 2021 - Present College of Public Health, Kent State University, Kent, OH
Title: *Graphic Medicine Comic to Increase HPV Vaccine Uptake in Cleveland-area High School Students*
Funded by the Medical Mutual Fund of Ohio Foundation

- 2019 - Present Ohio Department of Health/Ohio Partners for Cancer Control (OPCC), OH
Title: *RAISING HEALTH IQ THROUGH STORYTELLING: Impact of an HPV Education Comic Book on vaccine knowledge, attitudes, beliefs, and actions in adolescents.*
Funded by Ohio Department of Health
- 2018 - Present Internal Medicine Department, Federal Medical Centre, Keffi, Nasarawa State, Nigeria
Title: *Healthcare seeking pattern, knowledge, and practice of skin care among residents and health care providers in New Karshi town, Nasarawa State, Nigeria.*
Funded by The Education and Volunteers Abroad Committee (EVAC) of the American Academy of Dermatology (AAD)
- 2017 - 2019 Research and Education Collaborative for Health Disparities
Title: *Predictors of pregnant women's breastfeeding intention using the modified version of the Integrated Behavioral Model and the Patient-Provider Communication Process*
Funded by: School of Health Sciences, Kent State University, Kent, OH
- 2010 - 2011 Research Assistant - Dr. Leila W. Jackson, Case Western Reserve University, Cleveland, OH
Title: *Recall of age at pubertal milestone onset.*
Department of Epidemiology and Biostatistics

Role: Principal Investigator

- 2016 - 2018 Doctoral Dissertation College of Public Health. Kent State University, Kent, OH
Title: *Development and evaluation of a theory-informed, culturally specific, Graphic narrative messaging about HPV and HPV vaccination for college students in northeast Ohio: An Application of the Integrated Behavior Model.*
Funded by College of Public Health. Kent State University, Kent, OH
- 2012 Master's Thesis University of Akron, Akron, OH
Title: *A comparison of the self-perception of the preparedness to provide cross-cultural care between resident physicians and graduate nursing students in training programs in Akron, Ohio.*
University of Akron, Akron, OH

FUNDED GRANTS AND SCHOLARSHIPS

-
- 2021 PI: Dr. Saad B. Omer
Title: *Estimating COVID-19 prevalence among the deceased in Karachi, Pakistan: A prospective post-mortem surveillance study*
Funded by the Bill and Melinda Gates Foundation (BMGF)
Role: Postdoctoral Associate
- 2021 PI: Dr. Saad B. Omer
Title: *Investigation of COVID-19 Disease Parameters for Transmission Models in Low-Resource Settings*
Funded by the National Institutes of Health (NIH)
Role: Postdoctoral Associate
- 2021 PI: Dr. Lynette Phillips
Title: *Graphic Medicine Comic to Increase HPV Vaccine Uptake in Cleveland-area High School Students*
Funded by the Medical Mutual Fund of Ohio Foundation
Role: Co-investigator
- 2021 PI: Dr. Saad B. Omer
Title: *COVID-19, Burial Site Surveillance to Measure Excess Mortality- Pakistan*
Funded by the Bill and Melinda Gates Foundation (BMGF)
Role: Postdoctoral Associate

- 2020 PI: Dr. Saad B. Omer
 Title: *Comprehensively Profiling Social Mixing Patterns in Healthcare Workplace Settings to Model Pandemic Respiratory Infection Transmission*
 Funded by the Centers for Disease Control and Prevention (CDC)
Role: Postdoctoral Associate
- 2020 Travel Award, NFID 2020 Annual Conference on Vaccinology Research (ACVR)
 Funded by the Yale Institute for Global Health and The Crawford Crew Foundation
- 2019 PI: Dr. Saad B. Omer
 Title: *Community-Based Respiratory Syncytial Virus Mortality Study in Pakistan*
 Funded by the Bill and Melinda Gates Foundation (BMGF)
Role: Postdoctoral Associate
- 2019 Travel Award, 2019 American Public Health Association (APHA) Annual Meeting and Expo, PA
 Funded by Kent State University, Kent, Ohio
- 2017 Dissertation Award
 Title: *Development and Evaluation of a Theory-Informed, Culturally Specific, Educational Comic Book about HPV and HPV Vaccination for College Students in Northeast Ohio: An Application of the Integrative Model of Behavioral Prediction* Funded by College of Public Health, Kent State University, Kent, Ohio
Role: Doctoral Student (PI)

TEACHING EXPERIENCE

- July 2022 - Present Visiting Assistant Professor
 Department of Biology
 Oberlin College and Conservatory,
 Oberlin, OH
- 2012 - 2022 Adjunct Faculty/Graduate Assistant/Teaching Assistant
 College of Public Health, Kent State University
 Kent, OH
- Taught groups of 20 to 60 undergraduate public health courses
 - Performed in-service presentations to share knowledge with colleagues
 - Integrated technology such as the Blackboard and PowerPoint into teaching modules
 - Curriculum development for face-to-face and online courses
 - Mentored undergraduate and graduate students in research and coursework by educating them about resources available on campus and providing constructive feedback
- 2015 - 2016 Adjunct Faculty Member
 Aultman College of Nursing
 Canton, OH
- Taught groups of 20 to 40 undergraduate and graduate nursing students' basic science courses
 - Mentored undergraduate and graduate students through supportive feedback
 - Integrated technology such as the Smartboard, ExamSoft, & PowerPoint into teaching
 - Created abundance of resource guides to accommodate a range of learning experiences for students
 - Performed general tasks in the microbiology laboratory including setting up equipment, preparing slides, culture media, and other materials for teaching nursing student
- 2014 - 2016 Teaching Assistant
 Cleveland Clinic Lerner College of Medicine
 Cleveland, OH
- Assisted with teaching groups of 30 medical students Clinical Epidemiology course
 - Consulted with medical students to assist them in the academics and research projects

- Coached students and participated in journal clubs for review of current research articles
- Mentored medical students through constructive feedbacks on their performance
- Designed learning materials for students with a range of learning abilities

2011 - 2012 Graduate Teaching/Research Assistant
 College of Nursing, University of Akron
 Akron, OH

- Assisted with teaching groups of 20 undergraduate nursing students in Anatomy course
- Mentored nursing students through constructive feedbacks on their performance
- Participated in quality and performance improvement initiatives in the free clinic
- Coordinated research activities including study design, data collection, and analysis
- Executed in-service presentations with students and colleagues on the Implementation of HIV/AIDS policy for the College of Nursing, University of Akron

COURSES TAUGHT/ASSISTED

	<i>Semesters Taught</i>	<i>Average Enrollment</i>	<i>Date</i>
Professional			
Cleveland Clinic Lerner College of Medicine Cleveland, Ohio			
• Clinical Epidemiology	3	40	2014 - 2016
Graduate			
Kent State University College of Public Health, Kent, Ohio			
• Methods of Evidence Based Public Health	1	6	2022
Aultman College of Nursing, Canton, Ohio			
• BIO 315 LEC 31310: Pathophysiology-Hybrid	3	20	2015 - 2016
Undergraduate			
Oberlin College			
• Introduction to Global Health		40	2022
• Essentials of Epidemiology (Lecture)		20	2022
• Essentials of Epidemiology (Lab)		20	2022
Kent State University College of Public Health, Kent, Ohio			
• Zombie Outbreak (Emergency Preparedness)	1	43	2019
• Essentials of Epidemiology	1	60	2018
• Prevention and Control of Diseases	9	40	2013 - 2018
• Introduction to Global Health	8	70	2012 - 2018
Aultman College of Nursing, Canton, Ohio			
• BIO 207: Anatomy & Physiology II	3	20	2015 - 2016
• BIO 215L LAB 21501: Microbiology Lab	3	20	2015 - 2016

CLINICAL EXPERIENCE

2008 - 2009 Pediatrics Resident Physician
 Department of Pediatrics,
 Stony Brook University Medical Center,
 Stony Brook, NY

- Consulted with up to 30 patients per day, examined their medical history, allergies, physical conditions
- Analyzed test results to verify necessity of operations and to determine proper procedures
- Assessed growth and development of infants and children
- Performed medical procedures such as immunization, venipuncture, suturing, lumbar puncture
- Supervised medical students and junior resident physicians

2007 - 2008 Pediatrics Resident Physician
 Department of Pediatrics,
 Akron Children's Hospital,
 Akron, OH

- Examined up to 30 patients per day with various medical instruments
- Diagnosed illnesses by carefully analyzing test results and information gathered during examinations
- Managed patients with various diseases by closely examining their medical history, physical conditions, and test results to determine proper treatment procedures
- Assessed infants' and children's growth and development
- Conducted medical procedures such as immunization, venipuncture, suturing, and lumbar puncture

2006 - 2007 Pediatrics Resident Physician
 Department of Pediatrics,
 Tod Children's Hospital,
 Youngstown, OH

- Same as directly above

FELLOWSHIPS AND AWARDS

2019 PhD Distinguished Student Award
 College of Public Health, Kent State University, Kent, OH

2018 First Prize - Ohio Graduate Public Health Students Category for the 2018
 For "Community Health Interprofessional Challenge (Addressing Ohio's Opioid Epidemic)"
 College of Public Health, Kent State University, Kent, OH

2018 2018 Akron Silver American Advertising Federation (ADDY) Award Winner,
 For "An Important to Conversation to Have: An HPV/HPV Vaccine Educational Comic Book"
 College of Public Health, Kent State University, Kent, OH

2018 Hiram College, Hiram, OH - Graphic Medicine Competition Award Winner
 For "An Important to Conversation to Have: An HPV/HPV Vaccine Educational Comic Book"
 College of Public Health, Kent State University, Kent, OH

2017 Teaching Fellow, Kent State University Graduate Students' Orientation
 Kent State University, Kent, OH

2012 People's Choice Award for Poster Presentation
 Ohio Public Health Combined Conference 2012, Columbus, OH

GUEST SPEAKER

2021 COVID-19 Vaccine Hesitancy: Way Forward
 Rotary Club of Nnewi District 9142, Nnewi, Anambra, Nigeria

2021 COVID-19 Vaccine Hesitancy: Way Forward
 Nigerian Community in Greater Cleveland, OH

2021 Gender and Development in Africa and the African Diaspora
 Center for African Studies, Kent State University, Kent, OH

2020 COVID-19 Pandemic in the United States of America
 Rotary Club of Hudson, Hudson, OH

2020 COVID-19 Pandemic in the United States of America
 Rotary Club of Nnewi District 9142, Nnewi, Anambra, Nigeria

2020 An Educational Intervention to Improve Human Papillomavirus Vaccination among Ohio
 Youths
 Rotary Club of Hudson, Hudson, OH

2019 Vaccine Preventable Diseases
 Prevention of Sexually Transmitted Diseases
 St. Patrick School, Kent, OH

- 2019 An Educational Intervention to Improve Human Papillomavirus Vaccination among Ohio Youths
Ohio Partners for Cancer Control (OPCC), Columbus, OH
- 2018 My Polio Immunization Program Experience in Nigeria
Rotary Club of Hudson, Hudson, OH
- 2017 Vaccine Preventable Diseases
Ten Great Public Health Achievements in the 20th Century:
Upward Bound Public Health Summer Program
College of Public Health, Kent State University, Kent, OH

ACADEMIC AND RESEARCH SKILLS

- Excellent knowledge of infectious disease pathology, investigation, control, and prevention
- Project management: coordinated several projects and maintained collaborations with local and international investigators to write several successful grant proposals and abstracts, advising and counseling graduate and undergraduate students in the team, mastered multiple research methodologies
- Scientific writing and editing: Authored and edited several peer-reviewed publications, ability to communicate complex ideas effectively in a range of formats to a variety of audiences
- Data analysis using Excel, SAS, SPSS, and Python (Biostatistics computing software), NVivo (qualitative data analysis software): Analyzed complex data and presented conclusions and concepts at several academic conferences.
- Applied Data Science: Strong analytical, organizational, interpersonal skills, ability to multi-task, set priorities and meet deadlines while managing several simultaneous projects
- Design, implement, and analyze behavior or population-based epidemiologic studies
- Conducting qualitative research methodological approaches (group & individual interviews)
- Creating culturally competent health education materials
- Evidence of success in presenting results in local and international settings
- Classroom management and training: Coordinating and conducting education, training, and managing students and scientific professionals, and assessing student learning
- Experience in curriculum design: designed several undergraduate and professional courses
- Knowledge of good clinical practices, evidence-based medicine, and public health

Comprehensive Profiling of Social Mixing Patterns in Resource Poor Countries. Oral presentation. 2021 MIDAS Network Annual Meeting, May 13 – 15, 2021.
- Aguolu, O. G.**, Smith, T., Phillips, L., & Cheruvu, V. (November 2019). Development and evaluation of a theory-informed, culturally specific, educational comic book about HPV and HPV vaccination for college students in northeast Ohio: An application of the Integrative Model of Behavioral Prediction. Oral Presentation. 2019 American Public Health Association (APHA) Annual Meeting, PA.
- Aguolu, O. G.**, Smith, T., Phillips, L., & Cheruvu, V. (May 2018). Development and Evaluation of a Theory-Informed, Culturally Specific, Educational Comic Book about HPV and HPV Vaccination for College Students in Northeast Ohio: An Application of the Integrative Model of Behavioral Prediction. Oral Presentation at the Ohio Public Health Combined Conference, Columbus, OH.

POSTER PRESENTATIONS

- Aguolu, O. G.**, Kiti, M. C., Willebrand, K., Liu, C. Y., Mesa, A. R., Regina, R., Couzens, C., Bartelsmeyer, B., Nelson, K., Jenness, S., Riley, S., Melegaro A., Ahmed, F., Malik, F., Lopman, B., Omer, S. B. et al. Social contact patterns among employees in 3 U.S. companies during early phases of the COVID-19 pandemic, April to June 2020. Presented at the 2021 MIDAS Network Annual Meeting, May 15, 2021.

- Aguolu, O. G.,** Smith, T., Phillips, L., & Cheruvu, V. (March 2020). Development and evaluation of an educational human papillomavirus (HPV) vaccine comic book for college students in northeast Ohio: An application of the Integrative Behavior Model. Presented at the NFID 2020 Annual Conference on Vaccinology Research (ACVR), Washington, DC.
- Evans, N., **Aguolu, O. G.,** Battaglia-Hoffman, G., Hsu, Y. L. (November 2018). Predictors of pregnant woman's breastfeeding intention and motivation using the modified version of the Integrated Behavioral Model and the patient-provider communication process. Presented at the American Public Health Association (APHA) 2018 Annual Meeting and Expo, San Diego, CA.
- Aguolu, O. G.,** Smith, T., Phillips, L., & Cheruvu, V. (June 2018). Development and evaluation of a theory-informed, culturally specific, educational comic book about HPV and HPV vaccination for college students in Northeast Ohio: An application of the Integrative Model of Behavioral Prediction. Presented at the Society for Epidemiological Research Conference, Baltimore, MD.
- Aguolu, O. G.,** & Huff, M. (April 2014). Measuring cultural competence among the graduate nursing students in a training program in Ohio. Presented at the Public Health Students' Alliance 2nd Annual Public Health Research Forum, Kent State University, Kent, OH.
- Aguolu, O. G.,** & Huff, M. A. (April 2014). Comparison of the self-perception of the preparedness to provide cross-cultural care between resident physicians and graduate nursing students in training programs in Akron, Ohio. Presented at the 29th Annual Graduate Research Symposium, Kent State University, Kent, OH.
- Jackson, L. W., **Aguolu, O. G.,** Palmert, M. R., Cromer, B. A. (June 2012). Recall of age at pubertal milestone onset. Presented at the Society of Pediatric and Perinatal Epidemiology Conference
- Aguolu, O. G.,** & Huff, M. (May 2012). Measuring the cultural competence among the graduate nursing students in a training program in Ohio. Presented at the 2012 Ohio Public Health Combined Conference, Columbus/Worthington, OH.

PROFESSIONAL DEVELOPMENT

2021 - 2022	Massachusetts's Institute of technology (MIT)'s Applied Data Science Program
2021	Essentials of Project Management
2021	Foundation Funding for Global Health Workshop
2021	Career Bootcamp for GSAS Students & Postdocs: Strengthening the Resume & Engaging with Employers
2021	Certificate of College Teaching Preparation (CCTP) program
2019	Advanced Teaching Workshops <ul style="list-style-type: none"> • Preparing and Delivering an Effective lecture • Course Design • Writing the Teaching Statement • Rubrics and Grading • Classroom Teaching Observation
2019	Workshops on Grantsmanship Training <ul style="list-style-type: none"> • How to Write a Successful R01 • Science Writing for Grants and Scientific Manuscripts • Grant Writing Basics • Find Funding Opportunities • Applying for COVID-19 Funding

MEMBERSHIPS AND PROFESSIONAL AFFILIATIONS

2021 - Present	Model of Infectious Disease Agent Study (MIDAS) Network
2019 - Present	Yale Postdoctoral Association
2019 - Present	Ohio Partners for Cancer Control (OPCC)
2010 - Present	Ohio Public Health Association
2010 - Present	American Public Health Association
2018 - 2019	Society for Epidemiologic Research

SERVICE EXPERIENCE

Academic Service

2020 - Present *Member of Planning Committee* Yale Institute for Global health (YIGH) Faculty Support Initiative Global Health Funding Workshops – Gates Foundation

2020 - Present *Member*
College of Public Health, Kent State University, Diversity Committee

2021 *Journal Article Reviewer*
American Journal of Epidemiology

2020 - 2021 Frontiers in Psychology

2020 PLOS ONE

2018 *Abstract Reviewer*
American Public Health Association (APHA)

2019 - Present *Professional, Graduate, and Undergraduate Students' Mentor*
Yale and Emory Universities

2017 *Volunteer*
African American Festival, College of Public Health, Kent State University, Kent, OH

2018 *Volunteer*
Kent State University Heart Climb 2018, College of Public Health, Kent State University, Kent, OH

Community Service

2018 - Present *Member* - Rotary Club of Hudson, Hudson, OH

2017 - Present *Member/Volunteer* - St. Patrick Home and School Association, Kent, OH

2013, 2021 *Member* - Scholarship Committee, Nigerian Community in Greater Cleveland, Cleveland, OH

2009 *Volunteer* - Community Health Fair, Stony Brook University Teaching Hospital, Stony Brook, NY
