I understand that BSMH / HHP will not condition my treatment on whether I provide authorization for the requested use or disclosure if to do so would be prohibited by federal or state law. If a reason exists under law for conditioning my treatment on obtaining this authorization, I have been advised of that fact and of the consequences of me refusing to sign this authorization. I understand there is the potential for information used or disclosed pursuant to this authorization to be subject to re-disclosure by the recipient if the recipient is not required by law to protect the privacy of the information.
