

THE OBERLIN CLUB OF THE METROPOLITAN NEW YORK REGION CHARTER

Article I - Background

The Oberlin Club of the Metropolitan New York Region (OCMNY for short) has its origins in the extant Oberlin Alumni Club of New York. Due to the nature of the club's geographic extent, its alumni population is large and diverse. The club has the largest population of alumni and nearly twice as many alumni as the second largest club. Specific to professional backgrounds, Oberlin alumni in the region have a strong presence in the fields of law, arts & entertainment, non-profits, and education, amongst other fields.

Historically, the club has held a few events on an annual basis, these include: The Gilbert & Sullivan Event (organized with help from alumni in the Blue Hill Troupe); Oberlin Day of Service; an Annual Summer Picnic; a summer outing to a Brooklyn Cyclones game; and a volunteer appreciation dinner (see below event calendar below). The club also has co-hosted the annual reception for the Oberlin Business Scholars program since the inception of this program in 2003.

The club also encourages alumni to engage with the admissions process through participating in interviewing prospective students.
