CLUSTER REUNIONS AT OBERLIN

Beginning in May 1974, Oberlin adopted a "Cluster Plan" for Commencement/Reunion Weekends. This plan enables reunioning alumni to return with friends who graduated a year or two before or after them. For example, the classes of 1955, 1970, 1985, and 2005, which are observing their respective 60th, 45th, 30th and 10th reunions in May 2015, will return in May 2016 for cluster reunions with the classes of 1956, 1957, 1971, 1972, 1986, 1987, 2006, and 2007 and the classes of 1966 and 1991 will be observing traditional 50th and 25th class reunions in May 2016.

To find your reunion years, follow your class year horizontally across the chart, noting the calendar year at the top of the chart each time you come to your class year. In the 65 years following graduation, each class will meet 13 times. Following the 50th reunion, all classes are members of the Half-Century Club and are invited to celebrate each year with that group.

All alumni are welcome back at any Commencement/Reunion Weekend, whether they are celebrating a specific reunion or not.
