APPLICATION FOR STUDENT ORGANIZATION EVENT IN A CONSERVATORY VENUE

This form is required in order to book conservatory space for any event sponsored by a student organization, including guest recitals (SOGR) and guest master classes and lectures (SOGMC). Please carefully read the information below before filling out the form on the reverse side. It must be signed by the faculty advisor before it can be processed by Concert Production.

This form is to be completed by a student representing the student organization only. Though the approval of the faculty advisor is required and to be indicated by signature, faculty may not book events on behalf of any student organization.

SOGR and SOGMC may not be scheduled on against large ensemble or Artist Recital Series concerts, or against any guest master class or degree, faculty, or guest recital of the same instrument.

Due to the heavy concentration of student degree recitals and dress rehearsals, no SOGR or SOGMC may be scheduled during the six weeks following Spring Recess.

Venues available at the conservatory for SOGR and SOGMC are Bibbins classrooms, Kulas and Stull Recital Halls, the Birenbaum and Warner Concert Hall. If requesting a non-conservatory venue, the student organization will be responsible for contacting the appropriate scheduling office.

SOGR may be scheduled for the following times:
- One month in advance prior to Thanksgiving break or Spring break
- Beginning at 9 a.m. the Friday of the preceding week for requested dates between Thanksgiving and the beginning of fall
- One month in advance for dates during fall and spring reading period

SOGMC may be scheduled for the following times:
- Mondays through Fridays: between noon to 1:30 pm, or any time after 4:30 pm
  - NOTE: This is to avoid conflict with academic classes taking place on weekdays. Authorization from the administration will be required for master classes and lectures that are requested outside of these times.
- Saturdays and Sundays: No time restrictions for master classes and lectures

Student organizations will be required to produce all aspects of the events they sponsor. This may include:
- advertising the event in the Online Events Calendar & production of a Conservatory hallway tv monitor slide
- producing printed programs
- producing and putting up posters
- providing staffing (ushers, stage crew, etc.)
- Staff will need to be hired for Clonick, Birenbaum & Warner.
- arranging for special instrumental or stage setup needs
- working directly with Concert Sound to anticipate and manage such audio needs as recording and sound reinforcement. Concert Sound requires all requests to be submitted a minimum of two weeks prior to the event.
