Welcome to a fresh approach!

Campus dining is a big part of the college experience. At AVI Fresh, our goal is to provide a variety of healthy foods, made from scratch, in a fun atmosphere. We work to enrich your dining experience by making it eventful and enjoyable.

We continuously adapt to keep pace with your ever changing schedules, lifestyles, preferences and nutritional needs. We always encourage your involvement and input.

We offer a variety of meal plans to allow for flexible and convenient options for all students.

Dining halls include Stevenson and Lord-Saunders and we offer an array of retail dining locations throughout campus. As a result of COVID-19, we have implemented additional locations to encourage physical distancing.

We look forward to serving you, and trust your academic year will be an exciting, rewarding and memorable experience.
We feature an extensive lineup of culinary platforms and are dedicated to your total and complete satisfaction. We provide a diverse menu selection of made-to-order and quick-service selections as well as daily specials at our venues.
