## ORTHODONTIC SERVICES

Superior Dental Care's (SDC) orthodontia benefits are limited to members under 20. Coverage is for a "Treatment Plan" evaluated through a pre-determination of benefits. Treating dentists providing this service must supply SDC with films and study models upon request. The one-time Record/Diagnosis fee consists of initial exam, diagnosis and consultation, x-rays, and study models. This fee can be submitted for payment separately and will apply to the member's lifetime maximum. Ortho payments for members will be made monthly beginning after the first month of treatment, and continue for the estimated duration of the treatment plan, as long as the patient is in active treatment. Retention is not covered. For treatment in progress at the time of eligibility, SDC will review the initial treatment months and total cost to determine benefit eligibility. All calculations are based on the appropriate plan percentage, up to the plan's allowable orthodontic lifetime maximum, and for the remaining months of estimated treatment. Benefits will automatically terminate when the patient ceases to be eligible.

## NATIONAL NETWORK

While SDC is licensed to sell to groups domiciled in Ohio, Kentucky and Indiana, our network of participating dentists and specialists offers coverage across the country with **over half a million access points nationwide**. SDC members are encouraged to seek service from a Participating Dentist or Specialist. **You may access our directory of Participating Dentists on our website [www.superiordental.com](http://www.superiordental.com). Participating dentists are prohibited from collecting any amount beyond the assigned member responsibility and SDC's reimbursement.** Unless otherwise contracted, SDC's payments for out of network services will be directed to the Enrollee. Members receiving SDC payment for services performed by a non-participating dentist will be responsible for the full payment to that dentist. Any out of network service may be subject to a "balance bill" for any amount that the dentist's charge exceeds SDC's then current allowable amount for an eligible service.

## PLAN SPECIFICS

### Pre-determination of Benefits

Pre-determination of Benefits is necessary for services \$400.00 or more and for periodontal services. Alternate benefits may be received when there is more than one acceptable course of treatment.

### Coordination of Benefits

SDC coordinates benefits with other carriers and with other SDC plans. SDC follows the rules established by state law for Coordination of Benefits to decide which plan pays first. The birthday rule applies for covered dependents – the parent's birthday first in the calendar year is considered the primary carrier. If a divorce has occurred, the plan follows the divorce decree.

### Evidence of Coverage

Your Evidence of Coverage is on file with your employer or you may call our office to request a copy. Additional access is provided on our website at: [www.superiordental.com](http://www.superiordental.com). Important information addressed in the Evidence of Coverage includes: claims appeal procedures, exclusions, coordination of benefit rules, contact information for SDC's Member Services Team, for State Departments of Insurance, for State Dental Associations and more.

### Claim Submission

All claims must be submitted and resolved within one year from the date of service to be considered for payment, regardless of enrollment status.

## VALUE-ADDED BENEFITS

### SMILERIDER®

Dentists who participate in our Smilerider program offer a 15% discount for elective services such as teeth whitening, veneers, bonding and porcelain facings. This discount comes with the SDC dental plan at no additional charge.

### EyeMed Vision Care® Discount Plan

SDC offers a vision discount plan through EyeMed Vision Care at [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com). This program offers significant savings and there are no limitations on the frequency of use. Please contact your employer to confirm this benefit is available to you. After confirming this benefit, be sure to mention to your eyecare provider that you are a member of Superior Dental Care. This plan is not vision insurance.

### Second Opinion

SDC will provide a Second Opinion by a participating dentist for extensive treatment plans. This is provided at no cost and without utilizing any portion of the individual's Contract Maximum. This benefit is required to be coordinated, in advance, through SDC's Dentist and Member Services team.

### General SDC Information

Warning: If you or your family members are covered by more than one healthcare plan, you may not be able to collect benefits from both plans. Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.
