

LIFESTYLE EAP
Wellness at Work

Childcare Services

Lifestyle EAP offers individuals the opportunity to speak over the phone with Childcare Specialists who are dedicated to providing assistance in the following areas:

- Referrals to licensed childcare centers
- In-home day cares
- Before and after school programs
- Summer Camp information
- Emergency backup care
- Schools for exceptional children
- Play groups for parents and children
- Pre-natal resources
- Respite care for children with special needs
- Testing and assessment resources
- Residential programs
- Tutors

Lifestyle EAP Services are free, confidential & available to both employees and their family members.
