## EAP Services for Family Members

Lifestyle EAP services are not only available to employees, but to family members as well. Spouses or partners, dependents living in or outside of the household & any permanent members of the household are eligible to access services included but not limited to the following:

- Face-to-face Counseling
- Legal Services
- Financial Counseling
- Childcare
- Eldercare
- Identity Theft Prevention and Recovery
- Adoption

Family/household members can contact Lifestyle EAP directly to access services and simply need to reference their relationship to the employee. Services are free & confidential.
