

# Contact Tracing

**Lorain County  
Public Health**  
For the Health of Us All

How Lorain County Public Health finds and isolates new cases quickly to slow the spread of COVID-19.

LCPH contacts the person confirmed with COVID-19.

LCPH follows up with all *close contacts* of a confirmed case within one business day to begin the process below.

Contact with symptoms

Self-quarantine at home for 14 days minimum.  
+  
Contact goes 72 hours without symptoms.  
+  
7 days have passed since symptoms began.  
+  
Ask about contacts.

Contact without symptoms

Self-quarantine at home for 14 days. Contact reports temperature and symptoms to LCPH daily.

If no symptoms after 14 days, contact is at low risk of getting COVID-19 from the person confirmed with COVID-19.

Missed contact

May spread COVID-19 to new contacts.
