

# Transferring Prescriptions

Caremark.com helps you get your medications where you need them, when you need them for the best value.

- **Transfer a prescription from pharmacy pickup to delivery by mail**

Click “Transfer Prescriptions” in the Prescriptions menu at Caremark.com to move your 30- or 90-day prescription from CVS Pharmacy® or any other local pharmacy to CVS Caremark Mail Service Pharmacy and get 90-day supplies delivered by mail to your home, office or anywhere you like

- **Transfer a prescription from any retail pharmacy to Caremark Mail**

Select “Request a New Prescription” from the Prescriptions menu and choose your preferred CVS Pharmacy location or call the number on your prescription ID card.
