MedMutual Advantage PPO Plan
Group Number: 590467
Summary of Benefits

This booklet gives you a summary of what we cover and what you pay. It doesn’t list every service we cover or list every limitation or exclusion. To get a complete list of services we cover, see our Evidence of Coverage by visiting our website, MedMutual.com/MAgroup, and entering group number 590467.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan such as MedMutual Advantage (PPO).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what MedMutual Advantage (PPO) covers and what you pay. If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or use the Medicare Plan Finder on Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048.

This document is available in other formats such as braille and large print. This document may be available in a non-English language. For additional information, call us at 1-800-801-4823 (TTY: 711 for hearing impaired).

Who can join?
To join, you must be enrolled in Medicare Part A and Part B, entitled to group coverage through your employer or retiree group and live in our service area. Our service area includes the United States and all U.S. Territories. For a list of doctors included in our extended network, go to Medicare.gov and use the “Find a Doctor” tool.

Which doctors, hospitals and pharmacies can I use?
Our plans have a network of doctors, hospitals and other providers. If you use the providers that are not in our network, the plan may or may not pay for these services.
- You can see our plan’s provider directory at our website, MedMutual.com/MAgroup and enter group number 590467.
- Or call us and we will send you a copy of the provider directory.

What do we cover?
Like all Medicare health plans, we cover everything that Original Medicare covers—and more.
- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.
- We cover Part B drugs such as chemotherapy and some drugs administered by your provider.
