Ohio State ID Application Instructions

WHAT IS A STATE ID USED FOR?

A state ID looks similar to a driver's license and can be used for everything a driver's license is used for, other than driving:

- a valid ID for domestic travel;
- proof of age for age-restricted purchases; and,
- proof of identity when asked to show an ID such as picking up packages from the post office or filing a police report.

A state ID does not replace your passport, but some students choose to use their state ID as their primary form of identification in all cases when a passport is not mandatory. This can protect privacy by preventing unnecessary citizenship information from being disclosed.

The ISRC is happy to provide transportation if needed. Email intlstu@oberlin.edu for scheduling.

WHERE TO APPLY

State ID applications must be submitted in person at:
