Degree Works: Exceptions and Substitutions

If substitutions or exceptions should be applied to a student's major, the chair must write to daudit@oberlin.edu. (e.g., A student previously took a course at another institution that should apply to the major.)

Review of Institutional Requirements

Academic Advising Resource Center/Office of the Registrar

At the time that students declare their major, we encourage students and advisors to discuss progress toward institutional requirements using Degree Works as a resource. This is an optional form for planning purposes only, and the Office of the Registrar will not review the form.

These are the primary institutional requirements to graduate. Complete details about degree requirements can be found at catalog.oberlin.edu.
