

REM | RESIDENTIAL EDUCATION MODEL

IN FALL 2020, THE RESIDENTIAL EDUCATION STAFF IMPLEMENTED A CURRICULAR APPROACH TO THE RESIDENTIAL EXPERIENCE.

Oberlin College students while living in residential education housing will participate in the Residential Education Model (REM). As a result of participating in the Residential Education Model students will:

WHAT STUDENTS REPORTED LEARNING WHILE LIVING ON CAMPUS THIS FALL 2020 ?

"I've learned how to cook better, and how to more efficiently clean a room. ~ 1st Year Student"

"I can't do everything alone, and there are times I really need to ask for help from people." ~ 2nd year student.

"How to respect people's boundaries better and ask others to respect mine. ~ 2nd year student"

REM | RESIDENTIAL EDUCATION MODEL

who read the fire safety bulletin board articulated what items can be microwaved.

9 out of 10

Village residents had a Village Assistant help them resolve an issue.

4 out of 5

94%

of residence hall students knew at least one other person who live on their floor.

Program House residents who completed a roommate agreement had a roommate issue.

ZERO

3 out of 5

of Village residents found completing a house agreement helpful to prevent conflict.

of residence hall residents who attend an opening floor meeting feel a part of their floor/house/hall community.
