SAMPLE

1 Term:
The first four digits are the calendar year; the last two digits refer to the semester; i.e.—'201309' indicates Fall Semester 2013.

2 Previous Billed Balance:
The Total Due from your last Invoice/Statement.

3 Current Charges & Payments:
Charges and payments posted to your account since the last billing cycle.

4 Authorized Financial Aid:
Amount of financial aid that will be disbursed to your account the week before the semester begins. Authorized Financial Aid **does reduce** the 'Total Due'.

5 Total Due:
The net result of your Previous Bill Balance, Current Charges, and Authorized Financial Aid

6 Memo Items:
Memo'd items **have not reduced** the 'Total Due'. Memo'd items are preliminary financial aid awards that still require verification by the Office of Financial Aid. You may check PRESTO! or contact the Office of Financial Aid to determine why your application is incomplete. You may subtract the 'Memo'd amount' from the Total Due, **if you have completed all the steps necessary to accept and receive your loans or other aid.**

Federal Direct Loans
Federal Direct Loans may be listed under either 'Memo' or 'Authorized' until they are disbursed to the student's account. This will occur one week before the semester begins, as long as you have completed all the steps necessary to accept and receive your loans. Loan amounts shown as 'Memo'd' may be reduced due to the Loan Fee which is retained by the Department of Education.
Accept your Federal Direct Loan(s) - sign on to your Oberlin PRESTO! Account and let us know you wish to accept your loan(s). You will also need to have a Master Promissory Note and a completed Entrance Counseling record on file at Oberlin. If you have not yet completed these, you must do so online at www.studentloans.gov.
Decline your Federal Direct Loan(s) - sign on to your Oberlin PRESTO! Account and let us know you wish to decline your loan(s).

Special Notes
Outside Scholarships will **not** appear as Authorized or Memo'd Items; however they will post to the student's account when the funds are received by Oberlin.
Work Study Awards will not appear as Authorized or Memo'd on the Invoice/Statement. Federal College Work Study or Oberlin College Employment listed on the Financial Aid Award reflects an amount that the student is eligible to earn through the program. Students are responsible for securing employment and completing all necessary paperwork to receive their pay.
