Summary of Policy Changes (2023-2024)

• Honor Code Charter
  o The complainant now has the ability to appear a determination, based on the same reasons as a respondent.
  o The Student Honor Committee Membership (SHC) has increased from 15 to 20 students.
  o The SHC Executive Committee retains the right to remove members, with an appeal to the liaison.
  o Due to the increase in AI technology and intersections with academia, the revised charter includes more specific language regarding non-permitted usage.
  o The revised Honor Code outlines that, if a student is found not responsible by the honor code process, that the student should not have their grade penalized on the basis of the alleged violation.

• Alcohol, Tobacco, and Other Drug Policy
  o The first-time fee for alcohol or marijuana use/possession was previously $60. The first time fee has now been removed.

• Various Policies
  o Office names and dates have been updated to reference current institutional language and times.
